

July 28, 2023

Dr. Michelle C. Tolibas, RN
Dean, College of Nursing
Visayas State University
Baybay City, Leyte

Greetings!

I am Earl Gene L. Maturan, 23 years old, a graduate of Bachelor of Science in Nursing from Visayas State University. I would like to take the opportunity to apply as an ASSISTANT PROFESSOR II in your institution.

I graduated on August 2022 and passed the Nursing Licensure Examination given by the Professional Regulation Commission (PRC) in the same year. On January of 2023 I worked in Caraga Regional Hospital as a job order nurse, and I am still working here up to present.

I would greatly appreciate an opportunity to show you my knowledge, skills, and capabilities in becoming an asset for the College of Nursing. Thank you for taking time in reading this.

Sincerely,

Earl Gene L. Maturan, RN
