One collegiate unit of credit is one hour lecture or recitation each week or a total of 18 hours in a semester. Three hours of laboratory work, drafting, or a shop work each week or a total of 54 hours a semester are regarded as equivalent also to one unit of credit.

The semestral average grade of a student is computed by multiplying the number of units assigned to a course by the grade earned and the product divided by the total units earned for the semester.

This student is in Good Moral standing unless otherwise indicated in the transcript.

The medium of instruction at all levels of education is English.

Unless sealed and signed by the College Registrar, the record is only a statement of the student's progress to date and not an official record.
