Dr. ANDREW A. MAZO
Department Head
Institute of Human Kinetics
Visayas State University
Visca, Baybay City, Leyte

Sir:

Good day!

I have read the announcement that the Institute of Human Kinetics needs a Bachelor of Culture and Arts Education instructor. With a burning passion for sharing my knowledge and expertise, I am writing to express my intention to re-apply for a teaching position in your department. I would appreciate your consideration of my application.

I am a graduate of the Bachelor of Culture and Arts Education, magna cum laude, at the Visayas State University and passed the Licensure Examination for Teachers (LET) with a rating of 85.6%. Throughout my academic and teaching journey, I have gained essential skills and a comprehensive knowledge of the different disciplines in the BCAEd program, including performing and visual arts. In the performing arts, I taught not only the drama and theater subjects of BCAEd but also the dance offerings in the service PE, specifically Philippine Folk Dance and International Dance. I can say that I have vast experience in painting, where I took commissions, joined organizations, participated in various art competitions, and coordinated the recent university's intramural mural painting contest. In addition, I'm currently expanding my artistic abilities in digital media, such as graphic design, and I'm glad to say that one of my creations is the original logo of BCAED's organization, ADARNA.

Aside from the arts, I also possess essential skills in music, such as singing and playing various musical instruments. I was a member of the IHK's chorale ensemble, Koro Kinetika, during college. I was also one of the trainers for the recent Summer Recreational Program, teaching ukulele and arts and crafts.

Given these skills and experiences, I can confidently say that I can do the duties and responsibilities of a committed and efficient Culture and Arts Education teacher. I am eagerly hoping to get this position to gain more teaching experiences, especially at my beloved alma mater, and simultaneously sustain my further schooling for a master's degree.

Attached herewith are all my pertinent papers for your perusal. Please feel free to contact me at any time through my Gmail account at hannahpedrera@gmail.com or my cell phone number at 09762291897. Thank you!

I look forward to working with the people in the institution you have handled, and with this, rest assured of my dedication to the noble task.

Respectfully yours,

HANNAH A. PEDRERA
Applicant
