DR. CHARIS B. LIMBO-RIVERA
Director, Institute of Human Kinetics
Institute of Human Kinetics (IHK)
VISCA, Baybay City 6521

Dear Dr. Limbo-Rivera,

I hope this letter finds you well. I am writing to express my heartfelt interest in the instructor position at the Institute of Human Kinetics (IHK), as advertised. As a former student and dedicated dancer of both the VSU Dance Sports Team and VSU Dance Company, I am enthusiastic about the opportunity to contribute to the esteemed IHK team and inspire the next generation of students.

During my time at Visayas State University, I was fortunate enough to be a part of the vibrant and dynamic dance community. My experiences with the VSU Dance Sports Team and VSU Dance Company not only honed my dance skills but also instilled in me a deep passion for teaching and mentoring. As a performer, I had the privilege of collaborating with talented individuals, pushing boundaries, and striving for excellence. These experiences have left an indelible mark on my understanding of dance as an art form and a means of self-expression.

My time as a student in Visayas State University also provided me with a solid foundation in the theoretical aspects of human kinetics. Coupled with my practical experience as a dancer and teacher, I believe I possess a well-rounded perspective that aligns perfectly with the holistic approach embraced by IHK. The opportunity to merge my artistic background with the scientific study of human movement excites me greatly, and I am eager to contribute my unique perspective to the IHK community.

Having closely followed IHK's commitment to fostering a learning environment that encourages creativity, critical thinking, and excellence, I am inspired by your institution's dedication to producing well-rounded professionals in the field of teaching. I am confident that my experience, combined with my passion for teaching and dance, makes me an ideal candidate for the instructor position. I am committed to nurturing the growth of students, helping them develop their technical skills, artistic sensibilities, and an understanding of the human body's incredible capabilities.

I appreciate your consideration of my application and look forward to the opportunity to discuss how my background aligns with the goals and vision of IHK. Enclosed is my resume, which provides further details about my qualifications and experiences. Thank you for your time and consideration.

Sincerely,

Bejie C. Pelicano
