Dear Sir,

I am writing to express my keen interest in the **Computer Maintenance Technologist I** position within the Visayas State University (VSU), Baybay City as recently advertised through the Civil Service Commission Region VIII online portal.

Previously, I have served as a Contractual Computer Programmer II at the Department of Health Eastern Visayas Center for Health Development – Information Communications Technology Unit (DOH EVCHD - ICTU). In this capacity, I was deeply involved in managing various Covid-19 systems, including the Vaccination Certificate (VAXCERT), Vaccination Administration System Linelist (VAS LL), and Vaccination Operations Reporting System (VORS), alongside government-owned systems such as Health Emergency Allowance Profiling System (HEAPS), Philippine Registry for Persons with Disability (PRPWD), Philippine Renal Disease Registry (PRDR), Integrated Clinic System (iClinicsys), Integrated Hospital Operations Management

Information System (iHomis), and Hospital Billing System (HBsys), which are vital for our Rural Health Units and Government Hospitals.

Moreover, I have fulfilled numerous additional responsibilities within the DOH EVCHD – ICTU, providing technical support for hardware and software, including desktops, laptops, printers, PA systems, and server maintenance. I also engage in comprehensive tasks, contributing to the formulation of IT and office equipment specifications essential for procurement requests of the department organization.

I am enthusiastic about the opportunity to bring my diverse skill set and dedication to the Computer Maintenance Technologist role as these will reflect from my previous employment at the DOH EV CHD. Enclosed, please find my personal datasheet for your review. Should you require further information or wish to discuss my application, please feel free to contact me at +63912-457-9909 or via email at [deranlojgnatib@gmail.com](mailto:deranlojgnatib@gmail.com).

Thank you for considering my application. I look forward to the possibility of contributing to the esteemed team at Eastern Visayas Medical Center.

Warm regards,

**Andre Lorenzo T. Bitangjol**
