Dear Ms. Colis,

I am writing this to apply for the position of Security Officer 1 and I was eager to be part of your security team as an aspiring and motivated Criminologist and a former ROTC officer.

As a licensed Criminologist, I believed that my profession will help in your institution in securing safety and security in all aspects. I can endure any kinds of difficulty and willing to be assigned any time of the day and night, weekends, and holidays if necessary. I also believed that my knowledge and skills in the practice of criminology will be applied in my future responsibility and I can assure that the safety of the people and property will be guided in accordance to the rules and regulations of your institution as we Criminologist oath to perform our duties and responsibilities with professionalism.

I am looking forward and firmly believed to be part of your security team and very much appreciate the opportunity that soon you will granted to me. Thank you and May the God always be with you.

Sincerely,

**DARIN B. ESCASINAS**
