**Thriving in the 21st
Century: Equipping
Students with the Skills
for Success**

PROGRAM PERIOD

- 3 hours (Webinar)
- **Date:** October 30, 2024
- 5 years validity upon date of issuance.

PROGRAM DESCRIPTION

- **Thriving in the 21st Century: Equipping Students with the Skills for Success** is designed for educators, parents, and community leaders. Participants will gain insights into critical thinking, collaboration, communication, and creativity—key competencies that empower students to tackle real-world challenges.

PROGRAM OUTCOMES:

The participants shall be able to:

- Create actionable strategies to integrate 21st-century skills into their curricula;
- Analyze the current educational landscape and identify gaps in skill development among students;
- Reflect on their own teaching practices and the skills they currently emphasize in their classrooms; and
- Link the identified 21st-century skills to the design of effective learning experiences.

RESOURCE PERSONS:

- DR. CARL E. BALITA
- VEL MARIE PALISBO
