Dr. Prose Ivy Guasa-Yepes

President, Visayas State University

Dear Professor Yepes,

Good day!

I am Dr. Judith P. Sanico, an Internist and a Pulmonologist in Ormoc City. Currently, I am the Head of the Pulmonary Section and the Chairman of the Research Committee of the Department of Internal Medicine in OSPA – Farmers' Medical Center. I am also an active pulmonary consultant in Gatchalian Medical Center and Ormoc Doctors' Hospital. Being a iskolar ng bayan it is always in my mind to serve my fellowmen whether in healthcare, research or in academe.

Having a College of Medicine in Visayas State University makes young aspirant doctors closer to their dream. I want to be part of your esteemed institution in shaping them into not just physicians but healthcare leaders as well. In line with this, I am applying for the position of Associate Professor V. Several challenges may be encountered along the way but I am motivated by my mentors both in University of the Philippines Cebu and in UP – Philippine General Hospital to be a well-rounded physician – clinician, researcher and educator.

I hope you will give me the opportunity to give back to the community in the form of being an educator.

Thank you and more power!

Very sincerely yours,

Judith P. Sanico, MD, FPCP, FPCCP, RPh
