Dear Ms. Ceniza,

I am writing to apply for the Instructor position in the Department of Pest Management at Visayas State University. I graduated in 2023 with a degree in Agriculture, majoring in Plant Protection, from VSU Main Campus.

While I lack direct work experience in this field, my academic background has provided me with a strong foundation in pest management principles and practices. I am confident in my ability to contribute effectively to your department and am eager to learn and grow professionally.

My resume, attached for your review, provides further details on my qualifications. You can reach me at labegail880@gmail.com or 09056333391.

Thank you for your time and consideration.

Sincerely,

Abegail L. Lozada
