**MANUEL GACUTAN, Ph.D.**

Department Head  
Department of Animal Science  
Visayas State University  
Baybay City, Leyte

Dear Dr. Gacutan,

I am writing to indicate my interest in the Department of Animal Science Part-time Instructor position you are currently in search of.

I am a BS in Animal Science graduate and presently on the verge of getting my MS degree in the same field. I am interested in applying for a part-time instructor. I believe my engagement and my experience both in a hands-on demonstration at school and during my on-the-job training make me suitable to apply. And also I worked as a Sales Account Specialist from September to December. My experience in the private company has equipped me with the necessary skills and technical knowledge which can be imparted to the students at our esteemed university.

Additional qualifications, experiences, and skills can be found in my accompanying Curriculum Vitae. Should you find me a suitable candidate, please do not hesitate to call or text my mobile phone number +639275640736. You can also reach me at my email address: [ac.conde@vsu.edu.ph](mailto:ac.conde@vsu.edu.ph).

Sincerely,

**ANTHONY CHRISTIAN Y. CONDE**
