Ms. Mary Ann G. Cobico
Department Head
Department of Philosophy and Social Science
Faculty of Humanities and Social Sciences
Visayas State University

Dear Ms. Cobico,

I am writing to formally express my interest in applying for the Part-Time Faculty Position offered by the Department of Philosophy and Social Science. I am a graduate of Bachelor of Secondary Education major in Social Studies from Visayas State University, and I am eager to bring my academic training and passion for teaching into the college setting.

Throughout my studies, I received extensive training in the teaching of Social Studies, covering history, culture, economics, geography, and current events, anchored on sound educational theories and strategies. My academic background has equipped me not only with content mastery but also with the skills to facilitate critical thinking, engage students in meaningful discussions, and integrate interdisciplinary perspectives into my lessons.

In addition to my coursework, I have successfully completed my practice teaching with positive commendations. Conducted action research focused on contextualized and communicative approach in teaching Social Studies. And participated in seminars enhancing content mastery of various Social Science disciplines. These experiences have prepared me to contribute to your department's commitment to quality education and student formation.

I am passionate about education, adaptable to new environments, and committed to continuous professional growth. I would be honored to join your department in nurturing critically thinking, reflective, and socially aware students.

I would welcome the opportunity to be interviewed on how I can contribute to your academic team. I have also attached the necessary documents of my application for your perusal. Thank you very much for considering my application.

Respectfully yours,
John Lloyd N. Fernandico
