Human Resources

Dear Sir/Madame:

Good day! I am Amor Villamor a bona fide alumna of Cebu Normal University having the degree of Bachelor in Secondary Education major in Biological Science. As a student of Cebu normal University, I was well-equipped by my mentor with different learning, teaching styles and strategies toward classroom management and learning instructions through the theories behind it. I am also trained to be globally-competent and research-oriented as what the University's goal wants their students to be.

I believe that your school could be a start to the bright side of my career and a way for me not to stop learning, relearning and unlearning things in the process. I also know that with the guidance of your school and with my capabilities, we could make a brighter future for the students.

Your optimistic response would really help me towards the aisle of becoming an effective and efficient teacher and to become a composed and well-driven individual.

I look forward to a positive feedback from your good office. I can be contacted through my mobile number 09567615319 and my email, villamorroma48@gmail.com.

Thank you very much and God Bless.

Respectfully yours,

Amor Villamor
