MAE ANN A. BRAVO

Head

Central Analytical Services Laboratory

Visayas State University

Baybay City, Leyte

Dear Ma'am/Sir,

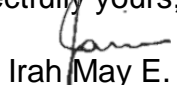

I am writing to express my interest to apply for the position of **Science Research Specialist II (SRAS2-1-1998)** in your department. I am a graduate of Bachelor of Science in Agricultural Chemistry of the Visayas State University June of 2020. Prior to my graduation, I passed the Chemical Technician Licensure Exam, October 10, 2019. After I graduated, I worked as a Chemistry Laboratory instructor for Organic Chemistry and Biochemistry at Visayas State University for the 1st semester of Academic Year 2020-2021. Right after, I worked as a Laboratory Technician II at the Regional Soils Laboratory under the Integrated Laboratories Division of the Department of Agriculture Region VIII from 2021 to 2022. Furthermore, I passed the recently conducted Chemist Licensure Exam (October 2022)

From my previous work as a Laboratory Analyst, I've become equipped with profound knowledge in apparatus, tools and machineries used in chemical experiments such as UV-Vis spectroscopy, Flame photometer, Digestion and Distilling apparatus and others. My experience also builds my practical laboratory skills and knowledge, specially in handling and analyzing actual laboratory samples. I am also greatly familiar with the procedures and techniques used in research laboratories. In addition, my student internship at the Department of Animal Science Nutritional Laboratory and Department of Food Science and Technology-Food Chemistry Laboratory at the Visayas State University afforded me with the crucial skills to work with professionals and experts in laboratory analysis. My previous experiences in working at a laboratory has developed my enthusiasm and true passion to work in an industrial chemistry laboratory and has subsequently convinced me that it is my true calling. Moreover, I am very much willing to be trained in order to enhance my skills and gain knowledge that I may lack.

For additional details regarding my qualification and expertise, please review my attached Personal Data Sheet.

Thank you for taking the time to consider this application and I look forward to hearing from you.

Respectfully yours,

Irah May E. Jamin
Applicant
