Dr. Rev Rhizza L. Aure

Department Head

Department of Physics

College of Arts and Sciences

Visayas State University

Visca, Baybay City, Leyte, Philippines

Dear Dr. Aure,

Greetings!

I am writing to express my interest in finally putting into practice my learned theoretical and philosophical knowledge by gaining teaching experiences in my field of specialization. With that, I am applying for a Part-Time Instructor position in the Department of Physics at Visayas State University.

As a recent graduate just last August 3, 2023 of a Bachelor of Secondary Education Major in Science, Cum Laude and a Student Teaching Proficiency Awardee, with teaching experience limited to 360 hours of Teaching Internship, I have earned the knowledge on the necessary skills suitable for the demands of the 21st-century students. With that, I believe I am ready for the challenge that comes with teaching in the department.

I am hopeful for the opportunity to strengthen my teaching skills and pedagogy as I become a part of the team.

Thank you for considering my application and I am looking forward to discuss further details with you.

Sincerely,

ANALIE O. SACEDON
