PROF. MARIA HAZEL I. BELLEZAS  
Department Head  
Department of Economics  
Visayas State University  
Baybay City, Leyte

Dear Dr. Guilaran,

Good day!

I hope this message finds you well. I am Miah Maye Pormon and I am expressing my interest to apply for your call on hiring Economics faculty in the Department of Economics, Visayas State University.

In the case of my teaching experience, I have served UPVTC for almost 10 years and consistently received a very good SET rating for the past semesters. I also managed to teach Economic Analysis in the Masters of Management in the College.

In terms of research, I am involved in research projects, we recently concluded our CHR-funded project on housing resettlement. Also, I already published journal articles for the past two semesters and another accepted journal article as co-author.

In terms of public service and professional development, I've been an active member of committees back when I was regular faculty. I was once a member of its Research Ethics Committee. Moreover, I've been attending some research training seminars and webinars to improve my knowledge and expertise in my field.

I believe that with my expertise, experience and knowledge, I am worthy for the Economics faculty position in your Department. I have established competence in teaching, research and public service for the past years in serving the University. I have included my CV and unofficial transcript of records, as well as, some journal publications for your reference.

You can contact me at 09169123730 or e-mail: [mmpormon@up.edu.ph](mailto:mmpormon@up.edu.ph). Looking forward for your positive response.

Sincerely yours,

  
MIAH MAYE M. PORMON
