10-Day Certification Course: Omni-Modal Approach to ICT in Education PPST-based Training

PROGRAM PERIOD

- 10 days (80 hours) of ICT training
- **Date:** February 19-28, 2024
- 5 years validity upon issuance date

PROGRAM DESCRIPTION

- **Omni-Modal Approach to ICT in Education PPST-Based Training** is a 10-day certification program designed to equip educators with the knowledge, skills, and values needed for the effective integration of ICT in education. This PPST-based certification program utilizes a research-based model of learning using technology known as the Omni-Modal Learning Experience Model, contextualized to the needs of 21st-century learners.

PROGRAM OUTCOME:

The participants shall be able to:

- Construct pedagogical strategies that incorporate 21st century digital literacy principles;
- Apply technology and ICT principles in the delivery of instruction in the 21st Century Classroom;
- Reflect on the significant role of technology in the classroom setting;
- Link the knowledge on ICT and Omni Modal Pedagogy to design pedagogical approaches and relevant lessons that align with the needs of 21st century learners.

RESOURCE PERSONS:

- DR. CARL E. BALITA
- JOHN PHILIP D. ORDOÑEZ
- JUNE KIERVIN DIOSO
- VEL MARIE PALISBO
