JOEL Q. MABALHIN
Department Head
Department of Teacher Education
Visayas State University
Visca, Baybay City, Leyte

Dearest Mr. Mabalhin,

I've long had a strong fascination working in my Dear Alma Mater. When I saw the job post which in need of 10 Part-time Instructors in my dearest Department of Teacher Education, I knew I had to apply. I may not be the smartest student during my years as a student but I knew in myself that I have the willingness and passion that I can offer in teaching. And I want to use that passion and willingness in extending my knowledge to my students.

I am also proud to say that I am a Licensed Teacher. I am grateful and gratified to my instructors back then because they really taught us everything, they could which I am so much thankful. It inspires me to become just like them. I want also to teach my students with everything that I could offer because I do believe a true teacher does not just teach but a true teacher inspires its students.

It would be an honor and a privilege for me if I will be given a chance to prove that I am suitable for the position. Thank you and God bless...

Sincerely,
Leia Mae C. Baugbog
