SUMMARY

I am a Bachelor of Science in Agricultural and Biosystems Engineering graduate from one of the leading universities in Agricultural and Biosystems Engineering in the Philippines. I recently passed the Agricultural and Biosystems Engineering Licensure Exam last September 2023. Passion drives my work, and I am eager to apply my skills, knowledge, and positive attitude to contribute to your company.

SKILLS

As a student leader during my college days, I have been exposed to diverse people. Also, I am versatile in my time-management skills which makes me highly responsible and reliable and enables me to work well under pressure. Lastly, I know basic Microsoft Software (MS Word, MS Excel, MS Powerpoint, etc.) and other software applications which is vital in the digital era today.

Recognizing the dynamic nature of the professional world, I am confident in my capacity to not only use my current skills but also eagerly acquire new ones. I look forward in contributing to your company's success by continuously expanding my skill set and knowledge base.
