JETT C. QUEBEC

Department Head

Department of Liberal Arts & Behavioral Sciences

Visayas State University

Visca, Baybay City, Leyte

Sir,

I, the undersigned, am genuinely interested to renew as a Part-time Language Instructor in the Department of Liberal Arts and Behavioral Sciences (DLABS) of the Visayas State University (VSU). Apart from teaching, I am now halfway through completing my Master of Arts in Education specializing in English at the Palompon Institute of Technology.

More so, as a young educator, my first teaching experience in the DLABS has been fulfilling and quite challenging. The online mode of learning paves the way for me to learning and embracing new dimensions, not to mention the Moodle platform, and the academic plagiarism detector—Turnitin. Hence, I am eager to continue my teaching journey in the Department to improve my performance and extend my expertise to the *Viscans* for the upcoming semester.

I attached herewith the pertinent documents for your reference.

Sincerely yours,

MARICAR M. LAUSE

Part-time Instructor
