Sir/ Madam,

Greetings of peace!

I would like to reapply for the instructor (part-time) position in your department. I believe that my six months experience in teaching have helped me a lot in honing my teaching skills and my ability to facilitate class discussions. I am glad to also share with you how much I enjoyed this new experience and though I was new to it I was still able to catch up and handled the assigned subject in the best of my ability.

It will be a great pleasure to continue working with you in this prestigious institution. I am most grateful for this opportunity to continue in this journey of my teaching profession with you. I am looking forward to hear from you soon.

Sincerely,   
Hope Madelane N. Tabin
