**Visayas State University**  
**Department of Teacher Education**  
**Baybay City**

Dear Dr. Bayron S. Barredo,

Good day, I hope this letter finds you well. It is with great interest and a deep sense of connection that I am applying for the Instructor position within the Department of Teacher Education at Visayas State University Main Campus.

Having walked around the campus of Visayas State University, I keep with me the ideals and educational philosophies that make our institution truly unique. My academic experience not simply provided me with a solid foundation in teaching, but it also fostered in me a strong desire to instill my future students with the same passion and enthusiasm

Despite the fact that I recently graduated from college, I am eager to utilize my academic expertise and skills in teaching. I am particularly interested in the opportunity to encourage curiosity and growth among students by creating an engaging and flexible educational setting where they feel encouraged to explore, question, and grow both academically and personally. My personal connection to Visayas State University motivates me to make a meaningful contribution to the educational setting. I am excited about the prospect of engaging with current and future students, bringing a fresh perspective and enthusiasm to the Department of Teacher Education of VSU.

I am aware of VSU's intriguing activities and ambitions, and I am excited to lend a hand & cooperate with them. I am confident that my commitment, paired with my previous academic backgrounds & achievements, will have a great impact on students' learning experiences.

Thank you for considering my application. I look forward to the possibility of contributing to the academic excellence that Visayas State University is renowned for.

Warm regards,

**Mae Belen D. Baleña**
