**ANDREW A. AMAZO**

Department Head  
Institute of Human Kinetics  
Visayas State University  
Visca, Baybay City, Leyte

Dear Mr. Amazo,

I am writing to express my interest in the part-time instructor position at the Institute of Human Kinetics. I am BEJIE C. PELICANO, a recent graduate of Visayas State University with a Bachelor of Culture and Arts Education, completed on August 3, 2023.

During my time at university, I developed a deep understanding of the principles of culture and arts education, which I believe can greatly enhance the learning experience of students in the field of human kinetics. My academic journey equipped me with skills in pedagogical practices and a passion for promoting health and fitness through creative and culturally responsive teaching methods.

I am particularly excited about the opportunity to engage with students and share my knowledge in an area I am passionate about. I am committed to inspiring students to appreciate the integral relationship between culture, arts, and physical education.

I would welcome the opportunity to further discuss my suitability for this position and how I can contribute to the mission of the Institute of Human Kinetics. Thank you for considering my application. I look forward to your positive response.

Sincerely,  
BEJIE C. PELICANO
