DR. ROSARIO P. ABELLA

Department Head
Department of Teacher Education
Visayas State University
Visca, Baybay City, Leyte

Dear Dr. Abella,

Greetings of peace and prosperity!

I am writing to express my strong interest in the Part-time Instructor position in your department. As a dedicated and passionate educator with a solid academic background and teaching experience, I am excited about the opportunity to contribute to the academic growth and development of the students at your esteemed institution.

I was honored to be a DOST scholar (RA 7687) during my college years, which allowed me to excel academically and develop a deep appreciation for learning and teaching. I was also actively engaged in various educational initiatives and projects, which led to my nomination as a student intern teaching proficiency nominee. This recognition reinforced my desire to pursue a career in education and ignited my passion for making a positive impact in the lives of students.

Another significant achievement during my academic journey was the publication of my research article authored along with my fellow pre-service teachers at the Universal Journal of Education Research last March 2023. This experience not only honed my research and writing skills but also instilled in me a commitment to sharing knowledge and contributing to the advancement of educational practices.

Furthermore, I have gained practical teaching experience, which spans almost two years at Visayas State University- Baybay Campus as a part-time instructor at the Institute of Tropical Ecology and Environmental Management. Through this experience, I had the opportunity to work with diverse groups of students. It was a transformative experience that deepened my understanding of effective instructional methods and classroom management techniques. Significantly, December 2023 marked a milestone in my journey as I successfully passed the Licensure Examination for Teachers.

Currently, I am also pursuing a Master of Arts in Education majoring in Science Education at Cebu Normal University- Main Campus. This educational pursuit reflects my unwavering dedication to teaching and ongoing commitment to personal and professional growth, qualities that make me a strong candidate for the teaching position.

I have enclosed my Personal Data Sheet along with the other required documents, which provide more details about my academic and professional background. I would welcome the opportunity to discuss further how my teaching philosophy aligns with the goals and values of your school.

Thank you very much for considering my application. I eagerly await your positive response.

Sincerely,

ELLA MARIE G. NUÑEZ
Part-time Instructor Applicant
