**Dr. CHARIS B. LIMBO**

Department Head  
Institute of Human Kinetics  
Visayas State University  
Visca, Baybay City, Leyte

Ma'am:

Good day!

I have read the announcement that the Institute of Human Kinetics needs a Bachelor of Culture and Arts Education instructor. With a burning passion for sharing my knowledge and expertise, I am writing to express my intention to apply for a teaching position in your department. I would appreciate your consideration of my application.

I am a graduate of Bachelor of Culture and Arts Education, *magna cum laude* at the Visayas State University. I recently passed the Licensure Examination for Teachers (LET) with a rating of 85.6%. Throughout my academic journey, I have gained essential skills and a comprehensive understanding of various art forms, including performing and visual arts. I can say that I had vast experience in painting, where I took commissions, joined organizations, and participated in various art competitions. For instance, in 2018, I won second place at the regional level and represented the Visayas State University nationally in the poster-making contest during the 84th National Book Week Celebration. Furthermore, I am currently broadening my art skills in a digital medium, including graphic design. I am proud to say that one of my graphic designs is the current logo of the BCAEd's organization ADARNA.

Aside from Arts, I also possess essential skills in music, such as singing and playing various musical instruments. I was a member of the IHK's chorale ensemble Koro Kinetika during college. I am currently developing my music expertise through music production and songwriting. Moreover, concerning cultural education, I experienced co-presented a study at an international research conference.

Given these skills and experiences, I can confidently say that I can do the duties and responsibilities of a committed and efficient Culture and Arts Education teacher. I am eagerly hoping to get this position since, as a newly Licensed Professional Teacher, I want to grab this job opportunity to gain teaching experience, especially in my beloved alma mater, and simultaneously sustain my further schooling in taking a master's degree.

Attached herewith are all my pertinent papers for your perusal. Please feel free to contact me at any time through my Gmail account at [hannahpedrera@gmail.com](mailto:hannahpedrera@gmail.com) or my cell phone number at 09762291897. Thank you!

I am looking forward to working with the people in the institution you have handled, and with this, rest assured of my dedication to the noble task.

Respectfully yours,

  
**HANNAH A. PEDRERA**
