Dr. Andrew A. Mazo IHK Director
Visayas State University

Dear Dr. Mazo;

I am writing to express my intent to apply for a teaching position at VSU-Institute of Human Kinetics for the upcoming school year 2025-2026. I recently came across your announcement regarding instructor vacancies, and given my qualifications, I am confident that I can contribute effectively to your institution.

I graduated with a Bachelor's degree in Secondary Education, major in Physical Education, from Visayas State University – Main Campus, Baybay City, Leyte, last August 2024. I was also honored to be a nominee for the Proficiency Award for Best Student Teacher. I took the Licensure Examination for Professional Teachers (LEPT) on March 23, 2025, and I am pleased to share that I already took the oath and that I am officially a full-fledged License Professional Teacher.

Though I haven't had any teaching experience yet, except for my teaching internship. I am confident that I am ready to take on the responsibilities of a teacher, as I have already equipped myself with skills and knowledge gained through the series of lectures I attended at the university and the different seminars and trainings, I have participated in.

To further enhance my academic and professional growth, I am currently pursuing a Master's degree in Physical Education and Sports at the University of Perpetual Help System Dalta. I have successfully completed 24 academic units and am currently in the process of drafting my thesis.

I am particularly drawn to your institution because of its commitment to faculty development, as shared by my mentors and colleagues. The professional growth opportunities at VSU Institute of Human Kinetics including training programs and workshops, strongly align with my aspirations to continuously improve as an educator. Additionally, my research on various institutions in the country has highlighted your university as a leader in academic excellence. I am hoping that you will give me an opportunity to have, my first teaching experience in your reputed school.

I would be honored to begin my teaching career at your esteemed institution and contribute to its mission of academic excellence. I look forward to the opportunity to discuss my application further. Thank you for your time and consideration. I look forward to your positive response.

Thank you for your time and consideration. I look forward to your positive response.

Sincerely,
Sheena G. Abadiez, LPT
