

JENNIFER M. SEVILLANO

Part-Time Instructor

I am a Bachelor of Secondary Education major in Science fresh graduate, passionate about teaching and committed to fostering student learning. I am eager to apply my knowledge of science concepts and modern teaching strategies to create engaging, meaningful, and effective learning experiences. As a fresh graduate, I bring enthusiasm, adaptability, and a strong desire to contribute to students' academic growth while continuously developing my skills as an educator. I believe that every student has the potential to excel when provided with the right guidance and supportive learning environment. With a strong work ethic and genuine love for teaching, I am committed to making a positive impact in the lives of my future students.
