Teofanes A. Patindol
Director
Institute of Tropical Ecology and Environmental Science
Visayas State University, Visca
Baybay City, Leyte

Dear Dr. Patindol

Subject: Application for Part-time Instructor

I am writing to express my interest in the Part-time Instructor position at Institute of Tropical Ecology and Environmental Science. As Bachelor of Science in Environmental Science graduate, I am eager to contribute to the academic and research endeavors of the institute by sharing the knowledge and skills that I have developed during my undergraduate studies.

During my academic years, I have developed skills in fieldwork and data collection through hands-on academic assessments. This involved conducting surveys, environmental observations, and site evaluations. These experiences not only enhanced my technical skills but also deepened my knowledge in the practical application of environmental science. I am confident that these competencies, along with my enthusiasm for environmental education, will allow me to support and inspire students in their own learning.

I would be grateful for the opportunity to further discuss how I can contribute as a Part-time Instructor. I am available for an interview at your earliest convenience and may be reached through the contact details provided above.

Thank you for considering my application. I look forward to the possibility contributing to your ongoing research efforts.

Sincerely,

Christian S. Ganosa
