Dear Engr. Eldon P. De Padua,

I am writing to express my interest in the position as a Part-time Instructor in your department.

Having obtained my Bachelor's Degree in Agricultural and Biosystems Engineering at Visayas State University – Main Campus, I hope to bring my knowledge, skills, and commitment to excellence to the department

I'm willing to submit my application in your institution because it gives a great opportunity and experience as a fresh graduate like me to hone their skills and improve themselves by participating in various professional development workshops and trainings both inside and outside of the university.

For more details of my qualifications and expertise, please review my attached resume.

Thank you for taking the time to consider this application. I look forward to hearing from you.

Sincerely,

Waren Cañete
