MARK RYAN R. TRIPOLE, M.Sc.

Head, Department of Pure and Applied Chemistry
College of Arts and Sciences
Visayas State University

Dear Mr. Tripole:

I wish to reapply for the Instructor I position of the Department of Pure and Applied Chemistry that I vacated last January 2024. I have already obtained my Master of Science in Chemistry degree at the University of San Carlos last June 27, 2024 which is the minimum qualification for the position. Attached are my credentials for your perusal. Should my qualifications merit your consideration, I am very much willing to come for a teaching demo and interview at your most convenient time.

I look forward to your positive response.

Yours sincerely,

KEVIN NICK S. BANDIBAS
