DR. ANGELITA L. PARADERO

Department Head, Department of Business and Management
College of Management and Economics
Visayas State University, Baybay City, Leyte

Dear Dr. Paradero;

Greetings!

I heard that the Department of Business and Management is in need of an Agribusiness for a part-time instructor. I am writing to express my interest in the said vacant position at your university. I wish to be considered as one of the viable applicants.

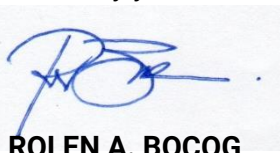

I graduated with a bachelor's degree in Economics last 2015 and am currently pursuing my Master of Management in Business Management at Visayas State University. The opportunity of working as a Science Research Assistant enhance my extension works, community organizing, and facilitation skills like coordination with different stakeholders, project monitoring, and sustainability.

The work experiences I had boosted my interest and passion for teaching and, at the same time, on the research aspect. If given a chance, I am willing to be trained and molded as part of improving myself as an educator and researcher at the same time. Hence, this will be an excellent opportunity to do so.

Should you wish to contact me for further information, attached herewith is my curriculum vitae, or you can directly contact me with this number: 0917-158-8870 and email address rabocog15@gmail.com.

Thank you for considering this application, and I am looking forward to work at your office soon.

Sincerely yours,

ROLAN A. BOCOG

Applicant.
