Dear Sir Joel,

I hope this letter finds you in good health. This correspondence serves as an expression of my sincere desire to apply for the recently posted part-time instructor position at Department of Teacher Education. I am looking forward to a meaningful contribution to the academic atmosphere at DTE because I'm passionate about education and have appropriate experience.

I have been in VSU-IHS as a practice teacher holding Calculus and Geometry subjects, and I hold a Bachelor of Secondary Education Major in Mathematics from Visayas State University, Main Campus. I am currently pursuing my Master of Arts in Education Major in Mathematics at Palompon Institute of Technology. It has been my dream to be part of an esteemed teaching faculty molding students to be globally competitive. The principles of Visayas State University are in line with my dedication to creating a stimulating and welcoming learning environment.

Creating a dynamic and engaging classroom where students are motivated to engage in critical thinking and actively participate in the learning process is one of my teaching styles. I am adept in utilizing cutting-edge teaching techniques and adjusting to various learning styles to ensure students successfully understand difficult ideas.

I am especially drawn to Department of Teacher Education, because I want to inspire students to be the best that they can be and to be part of the esteemed teaching faculty where I will grow professionally beyond the horizon. I'm excited to impart my knowledge and dedication to DTE.

I appreciate your consideration of my application. I am excited about the chance to teach Department of Teacher Education.

Sincerely,

JOSHUA G. VELARDE
