Head, DBM  
Department of Business and Management  
Visayas State University  
Visca Baybay City, Leyte

Dear Ma'am;

Good day! I am writing this re-application with regards to the opening of faculty positions in the Department of Business and Management in the facebook page of Visayas State University. With almost three years of experience in teaching, I have become confident in my ways of teaching and developed self-esteem in handling both small and large classes and adapting to a new normal learning set-up. I believed that the skills and the past experiences combined with my ability to foster constructive learning environments, made me an ideal candidate for the role.

Beyond my teaching experience and my classroom management skills, I believed that my enthusiasm makes me a perfect fit to serve as a Part-time/Substitute Instructor in the department. Having this passion, I am with great excitement to continue working with your faculty and staff to help the college grow and flourish in the next years.

Attached here are documents as additional reference. Hoping that this letter of application brings your attention for considering me as one of your employee.

Thanks and more power.

Very truly yours,

**DIANNE M. DALIN-AS**
