Dear Sir Barredo,

I hope this letter finds you in good health and high spirits. I am writing to express my interest in applying as one of your part-time instructors especially in the field of social studies.

With my previous employment as part-time instructor in SLSU-Hinunangan for the GE courses under social sciences, I am happy to continue my endeavor of educating young minds towards excellence and functional beings in our society.

I am particularly drawn to VSU's reputation for fostering an environment of excellence, innovation, and inclusivity. The prospect of being a part of this dynamic community and contributing to its continuous advancement aligns perfectly with my career aspirations, as I am currently doing my masters here in VSU in the field of agricultural economics.

Thank you for considering my application. I am enthusiastic about the potential to contribute to the University's ongoing success. I look forward to the opportunity to discuss my qualifications further and provide additional insights into how I can add value to your team.

Please feel free to contact me at 09125452217 or rlouron@southernleytestateu.edu.ph to schedule an interview at your earliest convenience. Once again, thank you for your time and consideration.

Sincerely,

Rodel Louron
