Dr. Edgardo E. Tulin
University President
Visayas State University (main campus)

Dear **DR. TULIN:**

Greetings!

I am writing to apply for the position of University Instructor. I am a graduate of Bachelor of Science in Development Education major in Agricultural Extension here in Visayas State University (main campus). It is my dream to work in this institution where I was molded well in terms of education and training. My heart is always on teaching. If given a chance, I will work hard to excellently contribute something in my Alma Mater.

Respectfully,

Denmark L. Godmaling
