**Dr. SYRENE P. NAYRE**

Head, Department of Hospitality Management  
Visayas State University  
Visca, Baybay City, Leyte

Dear ma'am,

I, **DRAKE JARED D. ANIÑON, MM**, respectfully express my interest in joining your esteemed university as a part-time faculty member in the Bachelor of Science in Hospitality Management (BSHM) program. With a strong desire to further my teaching career, I am keen to contribute to your academic community by offering classes particularly on Fridays where I can share both practical applications and valuable insights gained from my professional experience in the hospitality industry. I am committed to delivering meaningful and engaging instruction that connects academic theory with industry practice, and I welcome the opportunity to help shape and inspire the next generation of hospitality professionals.

With nearly three years of experience as currently a Part-time lecturer in the BSHM program at Eastern Visayas State University – Tanauan Campus, I have gained extensive knowledge of the curriculum and student learning needs within the field of hospitality education. My teaching practice is guided by the Outcomes-Based Education (OBE) framework, ensuring that each course I deliver aligns with CHED guidelines and equips students with relevant, industry-ready skills.

I have handled core subjects such as Food and Beverage Service Operations, Events Planning and Management, and Hospitality Business Tools, including Property Management Systems (PMS) and Point of Sale Systems (POS). I design classroom and laboratory activities that foster both engagement and practical application, using methods such as case studies, role-playing simulations, and performance-based assessments to replicate real-world industry scenarios.

As a graduate of Master in Management (MM) and a passionate educator, I am committed to continuous professional development. I am also planning to pursue further academic advancement through a Doctor of Management program, which will enhance my ability to contribute meaningfully to both student success and institutional goals.

I would be honored to be considered for this opportunity and to contribute to the ongoing growth and excellence of your BSHM program. I am confident that my industry and teaching experience as well as commitment to academic integrity will make me a valuable addition to your faculty.

Thank you very much for your time and consideration.

Sincerely,

**DRAKE JARED D. ANIÑON, MM**
