Dean, College of Veterinary Medicine  
Visayas State University  
Baybay City, Leyte

Dear Dr. Peña

Greetings!

Given the opportunity to start my new career path in life, I have decided to apply for the position of Veterinarian II at the College of Veterinary Medicine.

On June 14, 2019, I received my degree from Visayas State University's College of Veterinary Medicine in Baybay City, Leyte, and I also passed the board exam that same year. I have worked in four different private clinic sectors since I got my license, all of them are primarily centered on the practice of small animal medicine. I have worked on honing my small animal practicing skills over the last few years. I am submitting my letter of application in the hopes of being granted the chance to further develop and impart my knowledge to aspiring veterinarians.

Should an interview be a necessity, please contact me at 09058396312 or email me at [dagantajrrenato@gmail.com](mailto:dagantajrrenato@gmail.com).

Thank you and keep safe!

Sincerely yours,

**RENATO A. DAGANTA JR, DVM**
