HONEY SOFIA V. COLIS

OIC Director, ODHRM
Visayas State University
Baybay City, Leyte

Dear Director Colis,

Good day!

This is to express my intention to apply for Special Science Research Specialist II, posted in the CSC website

I am a Registered Chemist with experience in chemistry education, laboratory management, analysis of ethanol for bioethanol fuel, water quality testing, and research and development activities relevant to molasses fermentation for ethanol production. Also, I am acquainted with relevant principles and practices of food safety, current good manufacturing practices and PNS ISO/IEC 17025:2005. My instrumentation experience includes microscopy, UV-Vis spectroscopy, Karl Fischer titration, and high performance liquid chromatography.

Other relevant experience includes serving as canvasser and a member of a technical working group for procurement of supplies and equipment from previous employment. Thus, I wish to apply my knowledge and expertise to the goals and objectives in your organization through the productive experiences I gained from my previous employment.

Currently, I work as Laboratory Head in a bioethanol manufacturing industry, managing two laboratories and supervising research and development activities relevant to yeast for molasses fermentation. I've attached my application documents for your evaluation. For inquiries, you can reach me anytime via mobile number 0949-146-9643

Thank you so much for your time and consideration in reviewing my application.

Sincerely,

Wency M. Dagayloan
