PROFILE: I am a highly accomplished professional with a solid educational background in Mass Communication and a Master's Degree in Language Teaching. With extensive experience in the teaching industry since 2018, including employment at SDO Baybay City, I have honed my skills in delivering high-quality education, particularly in the realm of language and communication across various platforms.

In addition to my academic and professional achievements, I bring a strong cultural orientation to my work. Having been raised in six different regions, I have developed a keen adaptability to diverse environments and teams. My diverse background ensures that I can easily integrate and thrive in any setting. For a comprehensive overview of my professional and academic performance, please refer to the details below
