## WORK AND INTERNSHIP EXPERIENCE

---

### **Acadsoc Limited**

*Home-based Tutor*

**Shenzen, China**

*November 2020-December 2021*

- Chinese kids aged 4 to 12 were taught an English subject and some Chinese terms were used in explanations and instructions for successful communication.
- Met my student's parents virtually to give feedback to their child during classes; maintain discipline in the virtual classroom by establish a one mouth rule.
- Responsible for ensuring that students properly understand the lesson material delivered and providing extra assistance to students who needed it.

### **Tuklas Lunas Laboratory**

*Student Intern*

**Visayas State University**

*April 24 – 26, 2022*

- I assisted the study's project leaders regarding the discovery of a potential cure for diabetes.

### **Biotechnology Laboratory**

*Student Intern*

**Visayas State University**

*April 27, 2022 – May 12, 2022*

- I have conducted soil sample analysis by weighing and measuring the soil's pH level.
- Formulation of microbeads using sodium alginate and calcium carbonate.

### **National Coconut Research Center – Region VIII**

*Student Intern*

**Visayas State University**

*May 13-29, 2022*

- I have conducted an embryo culture.
- Experienced transferring the endosperms into a medium, opened up the endosperms to get the embryo, and proceeded to embryo culturing.
