One unit of credit is one hour lecture or recitation or three hours of laboratory work, drafting or shop work each week for the period of a complete semester.

The semesteral average of a student is computed by multiplying the number of units assigned to a course by the grade earned and the product divided by the total units earned for the semester.

Note: This transcript is considered original when it bears the seal of the University and the original signature of the University Registrar. Any erasure or alteration made on this copy renders the whole transcript invalid.

ATTY. STEPHEN JAY M. TAMPADONG

One collegiate unit of credit is one hour lecture or recitation each week or a total of 18 hours in a semester or three hours of laboratory work, dictating, or a shop work each week or a total of 54 hours in a semester. All units are regarded as equivalent to one unit of credit.

The semester average of a student is computed by multiplying the number of units assigned to a course by the grade earned and the product divided by the total units earned for the semester.
