**Address:** P-4, Poblacion, Prosperidad, Agusan del Sur  
**Phone:** 09499793621  
**Email:** cuestablessy@gmail.com

## SUMMARY

An Agricultural and Biosystems Engineer with a focus on sustainable agriculture and biosystems development. I have experience in research, problem-solving, and working in team environments. I am proficient in Microsoft Office Software, organized, adaptable, able to manage tasks efficiently, and have implemented what is learned through training and seminars and demonstrated strengths in communication.

## WORK EXPERIENCE

**OJT Intern and Project Staff, Center for Research in Environmental and Agricultural Technologies (CREATE), Caraga State University** **Sep 2023 - Dec 2023**

- Contributed to research efforts by assisting in data collection for agricultural technology projects.
- Collaborated with senior engineers in field and laboratory tasks.
- Drafted reports and presentations, enhancing communication of research findings.

**Assistant Event Planner and Floral Design Consultant, Sheila’s Events Services** **Mar 2019 - Jun 2019**

- Coordinated event logistics, ensuring orderly planning and execution.
- Assisted in creating custom floral arrangements for various events.
- Managed schedules and vendor communications, ensuring timely project completion.

## EDUCATION

**Bachelor of Science in Agricultural and Biosystems Engineering** **2019 - 2024**  
Caraga State University - Main Campus

- Thesis on "Evaluating the Potential of Cornstalk Sugar as an Alternative Supplement on Yield and Growth Performance of Oyster Mushroom (Pleurotus Ostreatus)".

**Technical Vocational Livelihood - Bread and Pastry Production** **2017 - 2019**  
Patin-ay National High School, Valedictorian

**High School Graduate** **2013 - 2017**  
Prosperidad National High School

**Elementary Graduate** **2007 - 2013**  
East Prosperidad Central Elementary School

## PROFESSIONAL CERTIFICATES

**Certification of Civil Service Eligibility (2023)**  
Civil Service Commission, Butuan City, Agusan del Norte, 8600

**Registered Agricultural and Biosystems Engineer (2024)**  
Professional Regulatory Commission, Butuan City, Agusan del Norte, 8600

## ADDITIONAL INFORMATION

---

- **Technical Skills:** Proficient in Microsoft Excel for data analysis and reporting, skilled in creating presentations with Microsoft PowerPoint, and experienced with other Microsoft Office applications for documentation and communication.
- **Certifications:**
  - Certificate of Participation on “3-day Skills Training on Bag Painting (cum Gender Sensitivity Awareness)” (2024)
  - Certificate of Appearance on “Seminar for Mushroom Production” (2023)
  - Certificate of Participation on “Basics of Intellectual Property” (2023)
  - Certificate of Participation on “Ways Forward: Caraga Region Building Resiliency & Reducing Vulnerability” (2022)
  - Certificate of Attendance on “The Basics of Parliamentary Procedure” (2022)
  - Certificate of Attendance on “Trailblazer: Imagineering Holistic Leadership” (2022)
  - Certificate of Participation on “2022 Climate Change Adaptation Lecture for a Disaster Resilient Community”
  - Certificate of Participation on “Science Communication in Disaster Risk Reduction Webinar” (2022)
  - Certificate of Participation on “2022 Geohazard Forum: Tectonic Hazard”
  - Certificate of Participation on “Intellectual Property Rights (IPR): Forms, Significance, and Role of Technology Transfer” (2021)
  - Certificate of Participation on “Strategies in Writing Publishable Research and Review Papers” (2021)
  - Certificate of Participation on “Recent Trends in Food Science, Engineering & Technology in Southeast Asia” (2020)
  - Certificate of Attendance on “ABETALK 2020: Trends and Responses to SDG’s in the New Normal” (2020)
