Dear Ma'am/Sir,

Good day! Peace and All Good!

This is to express my warm interest to be one of the teaching staff in your prestigious department. I believe that with my burning passion to share my knowledge and my strong independent skills combined with work ethic and instructional abilities greatly contribute to the institution with first-rate education.

I completed my bachelor's degree in secondary education major in Filipino at Franciscan College of the Immaculate Conception last March 2019. I took and passed the Licensure Examination for Teachers (LET) with the general average of 81.80% on September 29, 2019. I started working as a part-time teacher in a private Christian school, Franciscan College of the Immaculate Conception Inc for seven months and I also experienced teaching Filipino subject and Creative Writing as a substitute teacher at the Banahao National High School for almost four months. My teaching experience honed my abilities and passion of teaching as an educator. I am confident to teach subjects related to my educational field. With a grateful heart. It is my main goal to fill a position in this prestigious institution where I can utilize my skills and experiences as well as my position for teaching to train and educate young minds. Moreover, I would like also to work with other professionals to improve my skills as an educator to further contribute in the field of education. Thus, hoping for your positive response to this application.

I have attached my qualifications and other relevant documents for your reference and further evaluation if you have further questions, please contact me using the above information. Thank you and God bless!

Respectfully,

Leomartin T. Hersalia
