Ma'am:

Good day!

I heard that Visayas State University Department of Soil Science (VSU-DSS) needs an Instructor for Soil Science subjects. In this regard, I would like to apply for a teaching position (Instructor III) in your university. I will give the best of my ability, expertise and initiative from my past learnings and experience to contribute a lot in attaining the vision and mission of your beloved school.

I am Mark Vincent G. Latras, a Licensed Agriculturist and a resident of Brgy. Guadalupe, Baybay City, Leyte, graduated with a degree in Bachelor of Science in Agriculture major in Soil Science last 2015 and Master of Science major in Soil Science, with a cognate of Tropical Ecology at the Visayas State University, Visca, Baybay City, Leyte last June 2019. Currently, I am an Instructor (Instructor III) at the Northwest Samar State University (NwSSU).

I am looking forward for your positive response. Thank you!
