Dear Mr. Marlon M. Tambis,

I am pleased to submit my resume for consideration for the available Science Research Assistant with your organization. I graduated year 2021 here in Visayas State University with Bachelor of Animal Science. During my studies, I did some fundamental field work and extension work. Given my background, I feel I am in a great position to make a positive impact. My formal education and training make me an excellent match for the unique demands of this opportunity.

I appreciate your taking the time to review my credential and experience,

Sincerely

Edmond Lapuz Reyes
