Dear Sir/Dr.,

My professional background shaped me for over 3 years of experienced as a licensed veterinarian specifically in small animal medicine practices and dealing as well to pet owners/clients. I was totally enlivened to come across the Instructor 1 position under your institution, College of Veterinary Medicine; as well as assertive that there's more value to offer.

I wish to apply for the said vacant position with my qualification. I am Shane Portia Claire R. Adricula, a Doctor of Veterinary Medicine graduate year 2019 at Visayas State University and achieved my licensed on that year as well. I am very much willing to be assign to any subjects or tasks that may given to me if employed. Attached are my resumë, transcript of records and other documents used for your reference and evaluation.

I look forward to discussing the position and my qualification in more depth. If given the chance, I am willing and ready to report for an interview at your convenient time. You may contact with my mobile phone number: +63 910 092 4314.

Thank you in advance for your consideration, more power and blessings to come.

Sincerely,

Shane Portia Claire R. Adricula, DVM
