President

Visayas State University

ViSCA, Baybay City, Leyte

Thru: **MARK RYAN R. TRIPOLE**

Department Head

Department of Pure and Applied Chemistry

Visayas State University

Visca, Baybay City, Leyte

Dear **Pres. Yepes**,

Greetings!

With fervent passion to share my knowledge and experience, I am writing to express my interest to apply for a part-time teaching position (Instructor I) at the Department of Pure and Applied Chemistry. I am a proud alumnus of Visayas State University, having earned both my Bachelor of Science in Agricultural Chemistry and my Master of Science in Soil Science from this esteemed institution. It would be a privilege to return to my alma mater and contribute to the academic community that has significantly shaped my professional and personal development

I am with no teaching experience at present but I have a vision, stamina, and patience to this job. I have realized how vital education is in the preparation for young people to achieve success in all endeavors set before them. I hope to instill a love for learning and a desire for constant knowledge within each student.

Attached herewith is my resume and other pertinent documents in support of my application for Instructor I for your perusal and ready reference.

I am hoping that you will give me an opportunity to have my first teaching experience with your prestigious academic institution.

Should you have any queries or need any information, you may contact me at 0946-489-4979. I will be available in your most convenient time.

Thank you so much and God bless you more.

Very truly yours,

MARIA RHODA A. SALAS
