EDUCATIONAL BACKGROUND

Postgraduate

Postgraduate Certificate in Academic Practice (PGCAP)
University of Liverpool, United Kingdom
under the CHED-funded Project: "Transformative Academic Practice for Higher Education in the Philippines (TAPHEP)"
July 2023

Doctorate

Doctor in Information Technology (DIT)
Cebu Institute of Technology-University, Cebu City, Philippines
March 2020

Master's Degree

Master of Science in Information Technology (MSIT)
Hannam University, South Korea
February 2005

College

Bachelor of Science in Computer Engineering (BSCOMPE)
Cebu Institute of Technology, Cebu City, Philippines
October 2000

WORK EXPERIENCES

Dean

Faculty of Computing
Visayas State University
January 2025 - present

Associate Professor IV

Visayas State University
Department of Computer Science and Technology, Baybay City, Leyte
November 2008 – present

Instructor I

Southern Leyte State University – Tomas Oppus
Department of Mathematics, Tomas Oppus, Southern Leyte
December 2001 – November 2008

IT Section Head

Southern Leyte State University – Tomas Oppus
San Isidro, Tomas Oppus, Southern Leyte
2006-2007

INSTITUTIONAL AND DEPARTMENTAL COMMITTEES

Member
- **VSU, RDITWG for Information Technology** (2023 – present)
- **VSU, RDITWG for Higher and Advanced Education** (2025)
- **VSU, Deputy Quality Management Officer for FOC** (2025)
- **VSU, TWG in harnessing the RDLead Program of the DOST's Accelerated R and D Program for Capacity Building of R and D, Innovation and Technology Protection/Utilization** (2025)
- **VSU Management Review** (2025)
- **VSU Administrative Council** (2025)
- **VSU Scholarship Committee** (2024)
- **VSU Uniform Committee** (2024)
- **VSU Search Committee for President** (2023-2024) and Search for Private Sector Reps (2015)
- **VSU Committee on Distance Education** (2011 – 2012)
- **VSU Housing Commission** (2011 – 2016)
- **DCST Curriculum Committee**, VSU (2012- present)
- **DCST Personnel and Scholarship Committee** (2012 – present)
- **DCST Research, Development, and Innovation Committee** (2021 – 2024)
- **DCST IMDC - Mathematics, Computing, and Language Theory** (2021 – 2024)
- **DCST IMDC - Computer Architecture, Connectivity, and Design** (2021 – 2024)

Chair/Member
- **VSU Score Statistics and Computerization for Institutional and Regional Student Competition** (2009 – present)

Chair/Coordinator
- **DCST Academic Practice (Teaching and Support to Learning)** (2023 – present)
- **DCST Sports and Socio-cultural Committee** (2022 - 2023)
- **DCST IMDC Data Management and Security** (2021 – 2014)
- **DCST Internship Program Coordinator** (2021 – 2024)
- **College of Engineering and Technology Internship Committee, VSU** (2021 – 2024)
- **VSU Information Technology and Supplies** (2011-2016, June 2024-present)
- **DCST Computer Center Manager** (2011 – 2017)
- **SLSU-TO Computer Training Coordinator** (2005 – 2008)
- **SLSU-TO Computer Laboratory In-Charge** (2005 – 2008)

ADVISORY ROLES

- VSU Department of Science and Technology (DOST) Scholars Society, VSU (2009–2010, 2010–2011)
- Computer Science Students Society (CSSS), VSU (2012–2013)
- Supreme Student Government, Southern Leyte State University – Tomas Oppus (2007 – 2008)

COURSES HANDLED

Visayas State University (VSU)
Data Mining, Networks and Communication, Quantitative Method, Research Planning and Manuscript Preparation, Principles of Computer Programming for Chemistry and Engineering, Basics on IT, Logic Circuit Design, Computer Architecture, and Intro to Computer Organization and Assembly Language Prog

Southern Leyte State University – Tomas Oppus (SLSU-TO)
Fundamentals of Problem Solving and Prog 1 and 2, Computer in Mathematics Education, Introduction to Computer, Information Technology

RESEARCH/ PUBLICATION/ PATENT APPLICATION

Invention Patent Application
System and Method of Detecting Disease in Crops Based on an Improved Convolutional Neural Network, No: 12024050542 / Application date: 7 August 2024

Research Output Turned-over/Shared to Recipient Agencies

       Mobile-based Cacao *Phytophthora palmivora* Disease Recognizer (project leader)
       assigned ownership to Visayas State University (VSU) through a Deed of Assignment.

       Visayas State University (VSU) Learning Guide Tracking and Monitoring System Using Quick Response (QR) Code (adviser), 2021, recipient: VSU

       Desktop-based Yellow Hybrid Corn Optimized Nutrient e-Advisor Using Modified Mitscherlich Equation (developer), 2018, recipient: Philippine Nuclear Research Institute

Article Contributor

       Convolutional Neural Network Model for Cacao Phytophthora Palmivora Disease Recognition
       International Journal of Advanced Computer Science and Applications (IJACSA), Volume 15, Issue 8
