Chairperson  
College of Medicine Technical Working Committee  
Visayas State University

Dear Madam:

Good day.

I am writing to cordially express my interest in the position of Associate Professor at the College of Medicine. I am confident that, with my extensive background in General Surgery, commitment to medical education, and active involvement in clinical practice, I can contribute progressively to the College's academic Vision and Mission.

Enclosed are my Curriculum Vitae, transcript of records and professional license and other necessary documents for your review. I am very much willing to provide any additional information through an interview at your convenience.

Thank you for considering my application. I look forward to the opportunity to contribute to the College of Medicine and to collaborate with esteemed colleagues in advancing medical education and healthcare in the Region.

Sincerely,

  
SILVERIO B. ARCOS JR., MD
