Dear Ma'am

Greetings of Peace!

I am humbly asking for an opportunity to be considered as ENGINEER II with Plantilla item no. ENG-2-1-1998 in your prestigious university. I am a Registered Electrical Engineer and Master Electrician. I was a former student of Caraga State University-Cabadbaran Campus, Cabadbaran City.

I am exposed and equipped enough in all the subjects and in all practical trainings that we had in our curriculum. I will surely do my best for the job and am willing to be trained. I am determined enough to share and bring my knowledge, skill and commitment to excellence in your agency. In connection thereof, I am at all times ready to be called for an interview to show my great interest for the job.

I am hoping for your positive response. Thank you so much and God Bless!

Sincerely yours,

ERIC E. SAJULGA, REE
