## Work Experience

---

### **Basti's Farm | Baybay City, Leyte, Eastern Visayas, Philippines**

#### ***Farm Intern***

March 2024 – May 2024

- Harvested vegetables according to quality standards, manually, minimizing loss and damage.
- Operated a variety of hand tools used in farming activities.
- Assisted in planting, cultivating, and harvesting crops such as corn, cauliflower, and bell pepper, ensuring timely and efficient processes.
- Prepared soil for planting, employing tillage and fertilization techniques.
- Monitored and adjusted irrigation systems to ensure proper water distribution according to crop needs.
- Managed irrigation systems and ensured adequate water distribution.
- Engaged in land clearing and field preparation activities for new planting seasons.
- Identified pests and diseases on plants and applied appropriate treatments.
- Applied biological, physical and mechanical techniques in eliminating pests, under supervision, following safety and environmental guidelines.
- Developed strategies for controlling weeds without the use of chemical herbicides.
- Assessed crop production yields and made recommendations for improvement.
- Evaluated new varieties of seeds for potential use on the farm.
- Ensured compliance with all applicable regulations regarding food safety procedures.
- Adhered to safety protocols when working with hazardous chemicals or machinery.
- Recorded information about crop yields, pest infestations, and fertilizer applications.
- Participated in marketing efforts to promote the sale of farm produce.
- Collaborated with team members to ensure all farm operations ran smoothly and efficiently.
- Coordinated with farm management to plan and adjust tasks based on weather conditions and crop needs.
- Assisted in the development and implementation of farm management practices, promoting sustainability.
- Assisted in the management and disposal of farm waste, adhering to environmental regulations.
- Picked fruits and vegetables on assigned plots, and checked plants for signs of pests and diseases.

- Participated in the loading and unloading of harvested products and supplies.
- Performed general maintenance tasks such as cleaning out plots, mowing grass, and repairing protected areas specifically tunnel.

## **Local Civil Registry Office | San Isidro, Leyte, Eastern Visayas, Philippines**

### ***LCRO Intern***

February 2, 2020 – February 15, 2020

- Provided administrative support to the office staff by answering phones, filing documents, and data entry.
- Collaborated with other departments to ensure smooth running of daily operations.
- Performed data entry tasks accurately and efficiently.
- Maintained a clean work environment by organizing files, disposing of trash, and dusting surfaces regularly.
- Reviewed files, records and other documents to obtain information or respond to requests.
- Typed, formatted and edited correspondence and other documents.

---
